

CAOAC

Annual Needs Questionnaire

The success of CAOAC is dependent on the success of its member clubs. To help ensure success, we are surveying clubs on an annual basis to find out what their main needs are so that we may assist where appropriate. This initiative is a follow up to the publishing of the booklet "Operating A Successful Aquarium Club", which is now online on the CAOAC home page. The hobby is changing in many ways and the demands on our member clubs require a collaborative approach. Please complete the brief survey below and return to Peter Orphanos ASAP or go on-line at www.caoac.on.ca to submit an electronic version. The results will be part of the Futures Committee Annual Report presented at the AGM in June.

Member Club: _____

Contact: _____

1. How would you describe the present state of your club?

- Very successful
- Fairly successful
- Having some difficulties
- Having serious difficulties

2. What was your most successful meeting this year? Share your success with our clubs.

3. What do you see as your main need(s) in making your club more successful?

3. What can CAOAC do to help?

Thank you for your response.
