President's Notes

Welcome Back!

I trust that everyone had a wonderful holiday whether at your own home or cottage or travelling to whatever destination that chartered your course. We, as CAOAC members have accomplished a great number of new ideas and opened new avenues for the future. I understand that you had a super time at the President's barbeque. Our thanks go out to all members who brought in food, organized it and cooked the meal. We (the McIntosh family, relatives and friends) had a superb time at our son's wedding. My thanks to Tony for conducting the CAOAC meetings and doing such a fine job. We have some new areas to explore in the coming year, so I hope that you will be ready to take on the new challenges of the work in CAOAC.

Attention All Committee Heads

Please have your estimated budget ready for your committee for the coming year. If you are in doubt, see the suggested budget from the past year, or consult the previous head or bring your suggestions forward at the meeting.

Many thanks to the former heads of committees and to the new people who will be looking after their committees for the first time. We still need a Chairperson for the Futures Committee. If you would like to chair this committee or know of anyone who would, please let me know.

Conventions 2004 and 2005

Again my thanks go out to Jennifer and Tony for working so hard to put together such an enjoyable convention at Port Dover.

We are looking at next year's convention. Some plans seem to be in the offing and bode for an exciting menu. We hope it comes to fruition.
