President's Notes

CAOAC Committee Budgets

Budgets for the coming year have been estimated. They are not etched in stone. We attempt to meet our needs for the coming year. An auction has been suggested to supplement our funds. We have cut down the mailing and publishing costs of a hard copy of the Newsletter. If you still feel that you would like a hard copy of the Newsletter sent to you please let us know.

Insurance and Membership

Good news! Unless some unexpected increases from the Insurance company are received, CAOAC is not raising membership fees or insurance costs. They remain at \$60 per club up to 60 members or \$90 for over 60 members and the insurance is \$180. The cheque is due at the November 20th meeting but can be post dated to January 1st 2006.

CAOAC Happenings

Many events have been taking place. Thus, we as CAOAC are a very active and vibrant association. TFCEC held its show and auction on September 17 & 18th while Samia held its show and auction on September 17th. We also discussed some of the future goals of CAOAC at our meeting. Some of these were published in the President's message in September. Please bring along your suggestions at the October meeting. Check the Events Calendar for future dates of CAOAC.

CONVENTION 2006

Plans are well under way for this event in London to celebrate the 50th Anniversary of their club on the weekend of May 19th to 22nd at Fanshawe College. Check the website for information. A slate of excellent speakers has been booked, plus the usual banquets on Saturday and Sunday as well as 50 show classes plus the fish auction. It is a great time to renew friendships as well as meet new people and have a great time of fun and fellowship. More information will follow in the upcoming months.

Judges Committee

Bill Irwin is asking for any additional information to be passed in to him. I understand that apprentice judges have been working at the past 2 shows. CAOAC has 3 more shows coming up in the future plus the Convention in 2006.

rent for 2004 – 2005, has the rent been paid for 2005 – 2006 and why is Sarnia's show sanctioning fee \$30.00 and not \$20.00? Tony Bernard (1st Vice President/FishRescueProgram) will relay the question about the rent for 2004 – 2005 to Jennifer Bawden (Treasurer) and according to the books the rent for 2005 – 2006 has not yet been paid. Sarnia will also be rebated for the \$10.00 overpayment of sanctioning fees. Accepted as read on a motion by Tony Bernard (1st Vice President), seconded by Terry Little (LondonAqSoc/Open Show). Voted on and carried.

Secretary's Report:

Minutes from the executive meeting in June: accepted as printed on a motion by Terry Little (LondonAqSoc/Open Show), seconded by Bill Irwin (Judges). Voted on and carried.

COMMITTEE REPORTS

Budgets for each committee are in a table on page 6 of this Newsletter.

Archivist: Nothing to report. Discussion about the old 8mm and 16 mm reel films that are part of the program assets. All of these have been converted over to VHS format and duplicated. Result of the discussion – give to Tony Bernard (1st Vice President/FishRescueProgram) who requested them.

AH Directory: Chair is open.

Awards: Update for the binder received and will be included in the next binder update in October. Still need a regional rep for area 4 – St. Catharines, Hamilton and Erie County.

Binder: Update will be ready for October release. Price of private member's binder to increase to \$50.00 due to increase in printing and postage costs.

Breeders Directory: Update from Hamilton received. Gold seal with "official" impression looks good on the "First In" certificates.

CAOAC/FAAS: Nothing to report.

Convention 2006 – Official News Release #1 – read by Terry Little. (See page 7 in this newsletter).

ada. Sponsorships for classes in the fish show will have their names engraved on the plaques at a cost of \$30.00 per regular class. See Terry re class sponsorships. Information will be posted on both the London web site and the CAOAC web site.

Hamilton & District Aquarium Society announced that they will contribute \$100.00 towards the sponsorship of a Canadian speaker to any future CAOAC Convention (at least until they go broke).

Fish Rescue Program: Contacts are needed in each club to assist with the rescue of “orphaned fish”. There have been several ‘rescues’ over the summer months. The pricenetwork organization has featured several of these “orphaned fish”.

Judges: Bill Irwin (Judges) reported that there were no replies to the letters sent over the summer to the current judges requesting input about their current status.

Newsletter: Please send any changes or additions to the Events Calendar to Miecia Burden (Membership/Binder/Newsletter) and she will pass them on to Dave Boehm (Webmaster) to be changed on the web site also. Dates held in reserve for the next year are for shows only NOT auctions.

Open Show: There are 5 shows this fall – Champion of Champion trophy is up for grabs!

Program: Discussion about making copies of our current videos and also converting them over to DVD. We already have two copies of each video – one that is mailed and one that is backup. We need to look into the purchase of a DVD recorder to transfer the videos into the DVD format. Expensive at this time. Does any one in CAOAC have the equipment to do it now? Please contact exec if you do.

Steering: Open.

Webmaster: Nothing to report.

Ways & Means: Spring auction discussion – date and venue. March 26th 2006 was decided upon for the date and we need a centralized venue. Terry Little (LondonAqSoc/Open Show) mentioned that there is a place in Brantford where the Brant club used to have their auction and he will check it out to see if it is available for that date.

OLD BUSINESS:

Speakers on the web site: Notify Dave Boehm (Webmaster) if you have any new ones.

Club meeting dates: Please notify Dave Boehm (Webmaster) for posting on the web site.

NEW BUSINESS:

New Plant Book by Christal Kasselmann: see exec minutes

under AH Directory for details.

COAOC Goals: as listed in pres message for September were discussed. Ideas about how to promote our hobby through fall fairs and pet expos discussed. The Royal Winter Fair in Toronto was talked about as a venue – clubs used to be represented in the past at this fall fair. Giving free memberships to children and encouraging the use of our website to assist in promoting the hobby also discussed.

NEXT MEETING INFORMATION:

October 16th 2005 – Executive at 10:00 a.m. General at 11:30 a.m.

CLUB REPORTS
