President's Notes

Happy Valentine's to All!

We had a good turnout for our January meeting with six club representatives and six executive members. This certainly leaves more room for improvement. We have 19 clubs in CAOAC with 17 taking insurance. We also have two private memberships. Welcome back to all the members and their clubs.

CAOAC Awards Meeting

Many thanks to those clubs who took time to enter our Newsletter Award contest. This is down from last year. They are Kitchener-Waterloo, London and Sarnia. Don't forget that the Breeders Award, Aquatic Horticulturist and other nominations for awards are due at the February meeting. The awards meeting will be held at 9:30 am on March 19th in Waterdown. We are looking for three Regional reps for areas one, four and seven. They are needed to insure that your club members are contacted to send in applications for the Awards. Also, these reps sit on the Awards Committee to decide who gets the awards. Please encourage your club members to submit applications to your club rep or to Wayne Rakestrow, our Awards Chairperson.

CAOAC/Brant Auction

This is being held on March 25th, 2007 in Brantford at the Civic Centre next to the Casino. This is an opportunity to buy and sell items and help the clubs.

CAOAC Convention in London in 2007

Many things regarding the Convention were discussed at our January meeting. It is being held in London on May 25th, 26th and 27th. If you would like to volunteer for any one of the Committees please contact anyone on the executive. This is the HIGH LIGHT of the year, so plan to attend and get your fish, plants and other things ready for the BIG SHOW-OW-OW as Lawrence said. More details will follow at the next meeting which will be held one hour earlier at 10 am before the executive meeting

CLUB REPORTS

Are submitted in writing at the meeting or by e-mail within in week of the meeting to Miecia Burden (Recording Secretary) for inclusion in TNL and do not necessarily reflect CAOAC policy.

Kitchener Waterloo Aquarium Society...held their first meeting in 2007 on January 2nd with guest speaker Larry Johnson who topic Lake Malawi Cichlids was well received. January was also membership renewal month and 42 members rejoined. We expect that many more will be joining in February so look for our membership votes in CAOAC to increase shortly.

(Continued on page 6)

Sarnia Aquarium Society... We had a great last meeting albeit not many of our members were in attendance. We had Tom Mason from DRAS talking on Cano Palma and COTERC in Costa Rica. We all enjoyed the talk immensely and we all did learn a lot. It's just a shame that Tom lives so far away. We very much appreciate his driving down to Sarnia and back to present his talk. There are some new, young members that are very keen at the moment and we are trying to foster their enthusiasm and participation at the current levels. It's good to see the "new blood" coming into the club - something we haven't had over the last few years.

Amended in June 2001 and again in October 2003

1. **All nominations close at the end of the meeting break of the regularly scheduled April business meeting.** A list of candidates will be supplied ASAP and will be published in the May TNL. A list of the candidates and options for voting will be e-mailed to each member club ASAP after the April meeting.
2. Any one nominated for an office and defeated for election to that office can be re-nominated for any lower office even when nominations for new candidates has been closed.
3. Any office not contested will be opened for nominations at the Annual Meeting. Acclimation will only be allowed after every reasonable effort has been made to provide for a contested election.
4. Any member of a CAOAC member club can nominate any other member (including himself) of a CAOAC club. Private members may also run but only one can be elected to the executive.
5. All nominees will be contacted by the steering committee and only those wishing to stand will have their names published.
6. All officers will be elected by a majority of the votes cast. If a majority is not reached on the first ballot the top 3 vote getters and ties will stand for a second ballot. If a third ballot is required the top 2 vote getters will be voted on. In the event of a tie after the third ballot, the executive in office at the beginning of the election and present at the meeting shall immediately meet in a special closed meeting to break the tie.
7. The order of voting will be: President, 1st Vice president, 2nd Vice President, Recording Secretary, Treasurer and Corresponding Secretary.
8. All voting will be done by secret ballot. Vote count will not be announced. A candidate may request vote tabulation on any office for which he stood for election.
9. Clubs that give official notification of inability to attend the Annual Meeting have two options:
A) notify steering of the name of the CAOAC member to whom they have given their proxy. No person can vote on behalf of more than one club. B) send in their vote by mail or by e-mail. This vote would only apply to the initial vote.
10. Current executive or nominated executive members cannot be appointed by a club to vote on their behalf.

Please contact Steering Chairperson
Dave Boehm at fishman@golden.net
with your nominations
