President's Notes

The snow is falling and there is a smell of winter in the air. Our auction season this fall is coming to a close and it seems this year that the prices are good which is great for everyone. I had the opportunity to attend a local auction and it was nice to see some friends whom I hadn't seen for quite a while. It was also nice to see a few new faces in the crowd as well. I always wonder which one of them will be the next person to take an active part within their local club.

I would like to officially announce the resignation of Wayne Rakestrow who for the

last 12 years been a very dedicated and active member of the Awards Committee. He developed many facets within the awards program including the newest Web Award. Wayne has held many different roles within CAOAC; Treasurer in 1976 and President from 1982 thru 1986. Wayne has put his name into the pages of history with over 30 years of committed service within CAOAC. Thank you from myself and from our entire current executive as we continue to strive in our goal of service in the hobby with everything we can.

Our next meeting will be

different from what we normally do. Ken Boorman president of the Sarnia Aquarium Society will be speaking to the judges after the general meeting. Ken is an expert on rainbow fishes and will be sharing his knowledge with us. People attending our next meeting are all welcome to stay afterwards and of course all judges are invited for this presentation. For those budding talents looking to learn what it will take to have a great show rainbow fish this will be worth your while. General meeting starts at noon; see you there!

EXECUTIVE MEETING

Called to order at 1100 hours by Tony Bernard (President/FRP).

Executive present: Tony Bernard (President/FRP), Randy Seufert (1st Vice President/CAOAC-FAAS/Futures), Terry Little (2nd Vice President/Open Show), Sarah Langthorne (Corresponding Secretary/Ways&Means), Dave Boehm (Treasurer/AHDir/Webmaster) and Miecica Burden (Recording Secretary/Membership/Binder/NL).

Executive absent: Paul McIntosh (Past President/Archivist).

Others present: Bill Irwin (Brant/Judges) and Teri Seufert (TFCEC).

CONVENTION 2007

Trophies: a few sponsorships are still outstanding. Durham and London - were invoiced over the summer with no reply to date.

Financial: no report at this time. Monies and bills are still coming in.

CONVENTION 2008

No further news from Edmonton at this time.

Miecica has created 'Convention Ticket' draw tickets – prize is a Convention Ticket (or \$100.00) and will be drawn as soon as 20 are sold – ticket cost is \$5.00 and Sarah will collect and administer. We are not looking to make money with this draw but to spark an interest in the Convention.

REPORTS:

Correspondence:

via Sarah Langthorne (Corresponding Secretary): A magazine – Association News – A magazine listing places that are suitable for holding conventions and meetings. One was received several years ago. All listings are for the USA.

via Tony Bernard (email) – 1. from Charlie Drew regarding the Aquatic Invasive Species group stopping California Black Worms from being imported into Canada. He would like a letter sent by CAOAC to this group protesting this ban since these worms are already found in the waters through out North America.

2. from Jody Cowan who published Canadian Pets & Animals Magazine who would like to include an article on our

organization in the next issue. She heard about our group and the Fish Rescue Program from someone who visited her booth at the EX this year.

Tony will reply to both of the above emails.

Treasurer's Report: No final report from Jennifer but all the books etc. were turned over to Dave Boehm. Tony attempted to answer several questions from Dave regarding entries in the books. Because there was no final report and no annual report and we are changing both the bank location and signing authorities Dave Boehm (Treasurer) and Miecica Burden (Recording Secretary) along with an accountant in Kitchener will do an 'audit' on the books and will try to have a report for next month. Bank location and signing authorities will be changed within the next few weeks.

Membership: Renewal forms were sent by email October 25th to two contacts in each club to ensure that they get there. Deadline is the December meeting.

Binder: Release # 50 ready today. Those not picked up today will be mailed ASAP. There was no program listing included because none was received in time for the update.

OLD BUSINESS:

Speakers at CAOAC general meeting: A plan to have a speaker following the general meetings will be followed through for the November meeting. Ken Boorman from Sarnia has volunteered to give a seminar on Judging Rainbows and Tony will contact him to see if he can do this at that meeting. An email will be sent along with the November newsletter to alert clubs that this is happening. An invite will also be sent to all judges and apprentices. (Terry Little will take care of notifying the judges). Any CAOAC club member is welcome.

NEW BUSINESS:

Room Rental: Dave called George Serpa to see if Jen had reserved the room for 2007-2008. George was not sure and will let Dave know ASAP. Room rental is \$50.00 per meeting – total is \$450.00 for nine months (no meeting in May 2008 – AGM will be held in Edmonton at the Convention.)

Breeding Challenge from Brant Aquarium Society: a fun challenge to all clubs in CAOAC. See ad in this Newsletter.

New Executive Meeting times: Starting with the meeting in November the Executive meetings will start at 1030 am and the General meeting at 12 noon. The executive meeting is being interrupted by early arriving reps for the general meeting so we will start half an hour earlier.

Respectfully submitted by
Miecia Burden (Recording Secretary)

From October Pet Product News . . .

CITES-- the Convention on International Trade in Endangered Species-- has plans to register several breeders of Dragonfish, also known as the Asian Arrowana, *Scleropages formosus*. This change may eventually make these desirable fish available to hobbyists. CITES has elected not to list the Banggai Cardinal Fish, a popular marine fish.

THE BRANT AQUARIUM SOCIETY

PRESENTS

THE BRANT CHALLENGE

The Brant Aquarium Society is inviting your Club to join our competition.

THE BRANT CHALLENGE is a friendly competition between member clubs within CAOAC.

This is a fish breeding competition. We at the Brant Aquarium Society believe that we can breed more different kinds of fish than any other club within CAOAC. We are willing to invite the winning club (should you possibly win) to our picnic for free next summer (not including transportation) That could be up to a \$2000.00 value. WOW.

Of course you will need some details.

First you need to sign up. This is easy.
Register on line at www.brantaquariumsociety.ca

You will need to select a person to represent your club.
This person will track all the fishes that are bred and report back to Tony Bernard, Brant Aquarium Society representative.

Your club members will need to submit all their breeding just like they would for your club BAP.

Now for the hard part.
One spawning per type of fish is allowed.
Your guppy specialists can get points for all their different varieties.
All those different locations for the rift lake cichlids have a home in this competition.
All those fish that are not fish have a home here like Parrot Cichlids etc.
You get one point for each fish bred.

The Competition runs from January 1, 2008 to December 31, 2008
