President's Notes

It is with a sad heart I write these words this month. We have received horrible news that Miecia, our secretary and foundation block of CAOAC and its operation, has been diagnosed with cancer. I am still in shock over the news and can't even imagine what she must be going through. I have been involved with CAOAC for about ten years and I can't remember a time that she wasn't there. Miecia I am sending a big hug and a special prayer for you from all of CAOAC as you work through this difficult time of your life.

Unfortunately we still need to continue on with business and we have a big meeting in March this year. The awards will be decided upon at this meeting along with more Convention information as the time draws near. As you look through the newsletter this month you will get a good idea of the information that will be covered this month as well.

We have had a very good month with the fish rescue program. We have relocated 1 tank of fish in Quebec and received calls from another in Quebec close to Ottawa with some cichlids and another in Toronto with a supersized clown knife. We also have that same 2-foot long ID shark looking for a good home. I am looking to speak with an expert on ID sharks. I would like to get this fish identified for its species type. If this is you, please contact me at my new e-mail utakaman@gmail.com.

Be good and play safe

Tony Bernard

CANADIAN ASSOCIATION OF AQUARIUM CLUBS

GUIDELINES FOR BIDDING FOR A CONVENTION

All bids are to be tendered in writing to the Executive of CAOAC.

All bids must be in the hand of the CAOAC President (or his designate) between January 1st and April 30th of the year before the proposed Convention.

The Executive will assess the viability of each bid and report any shortcomings to the bidders.

The bidders will make their presentation to the membership at the CAOAC Annual General Meeting in May.

If no bids are made or if no bid is accepted at the Annual General Meeting then new bids may be tendered at the CAOAC General Meeting in June.

CAOAC may run the Annual Convention utilizing volunteers from member clubs if there is no bid from any club prior to the September meeting.

In all bids preference will be given to Conventions proposed for the dates in the month of May in order that they coincide with CAOAC's Annual Meeting requirements.

Bids for May Conventions must include the commitment to provide for a minimum of three hours of convention time for CAOAC's Annual Meeting and this time slot shall not conflict with other Convention events (ei: speaker, auction, field trips, etc.)

The CAOAC executive will offer to the host club a speaker or program on a topic geared toward the operation of a local society.
