### *President's Notes*

Is it just me or is this fall whipping by quickly?

Thanks to everyone for supporting the change in the by-laws to allow for electronic meetings, now the real work begins in figuring out how we are going to go about implementing the changes.

Speaking of changes, special thanks to Phil Maznyk for updating our web site. It looks great and we hope it will be more user friendly and that it will be a destination for all who are seeking information regarding our hobby.

There are still a few fish events this month: KVAS Octoberfish on October 32 (aka Nov. 1), TFCEC Fall Auction, Nov. 8, HDAS Speaker/ Dinner with Lee Newman on Photography, Nov. 28. My apologies to the western clubs whose events I failed to mention last month. Please support these events.

On a sad note, Kathleen Gallagher has returned to the United States and our first order of business at the next Executive Meeting will be to declare the

position of Second VP vacant and to select a new VP. As I write this I believe that there are at least two persons interested, if there are any others please let me know. I will be inviting those who express an interest to be present at the Executive meeting on Nov. 15. If anyone from outside Ontario (or the nation's capital) is interested we can even try our first electronic experiment if you let us know in advance.

It is not too early to be thinking about the annual convention, May 21-23. We are still trying to hammer out whether it will be at Fanshawe College in London or Sheridan College in Oakville but we have a great line-up of speakers confirmed and either location will offer a great venue for our members to enjoy exploring their hobby.

Keep your fish wet

**All the best,**  
Bob

## EXECUTIVE MEETING

### Executive Meeting – October 18, 2009

Called to order by Bob Wright (President)

**Executive Attendance**

Position	Name	Present/Absent
President	Bob Wright (LAS)	Present
1 <sup>st</sup> VP	Ken Boorman (SAS)	Present
Corresponding Secretary	Noel Wright (TWAS)	Present
Recording Secretary	Ann Stevens (SAS)	Present
Also in attendance:	Phil Maznyk (KWAS)	Lisa Boorman(SAS)

**Matters arising from Previous Minutes:**

1. Audit – still unable to co-ordinate schedules. Will try to complete after the November meeting.
2. Reptile Expos – Grant still has not returned any communication in regards to the November show. Bob to confirm with Dave whether PIJAC membership has been completed.
3. CAOAC pamphlet – A double sided half page “flyer” was created by Ann and sent to Dave to add a better logo. No further communication.
4. Location of CAOAC Convention 2010 – A bid was received from Sheridan, however, it was sent back with questions. Still no response from Fanshawe. Bob will be in London October 19 and will physically visit the college. Ken has confirmed 5 speakers. A Convention Committee has been formed consisting of:
  - Bob Wright & Dave Boehm – Co-Chairs
  - Carl McCleary – Advisor
  - Ken Boorman- Speakers

Noel Wright & Ann Stevens – assistants (whatever else is needed)

Ann Stevens has made some contacts at the PIJAC show and some samples. Noel and Ann to meet to go over list from Carl and new contacts to avoid duplication.

Approval of September minutes – Ken Boorman 1<sup>st</sup>, Noel Wright – 2<sup>nd</sup>

**Executive Reports**

## Correspondence

A request for speakers was sent out to the clubs and several have replied. An updated list has been added to the website by Phil. Still accepting speakers.

Information for the newsletter is to be sent to Noel by the end of the month for the next month’s newsletter. This will help to prevent duplication and also give Jennifer enough time to complete it prior to the meeting.

A Privacy Policy was received and added to the web. If anyone does not want their personal information on the web, please notify Phil Maznyk, Webmaster.

**New Business**

The topic of the CAOAC binder was raised. It was determined a committee should be created to do an overhaul of the binder and get it more current. When completed, it was felt it should be available on CD and possibly on the web. To be raised at the general meeting for volunteers.

Ken suggested that for the Awards Show, have a Champion for individual categories, rather than just one. For example, Betta Champion, etc. This may encourage more entries. To be raised at general meeting.

**Executive meeting adjourned, with a quorum at 11:30.**

**GENERAL MEETING****Roll Call (Terry requested absentees not be shown)**

### Treasurer's Report (page 6)

Ann read Dave's report since he emailed it, with the possibility he may not make the meeting. It will be in the newsletter.

Audit to be conducted after next month's meeting.

Motion to Accept – Terry Little – 1<sup>st</sup>, Phil Maznyk – 2<sup>nd</sup> Carried

### Matters Arising from Previous Meeting

Ken asked what the \$834 was for under the Ways & Means budget. It was determined that it was expenses related to the Heiko Bleher talk at the Zoo.

The minutes erroneously stated to add a year, where, in fact, it was a date submitted, so that people know how long it's been since that person bred that fish.

Tom will check into the possibility of modifying the report to accommodate this.

Jennifer has asked that everyone please send information for the newsletter by the end of the month, not the 15<sup>th</sup> of the month. Phil will create the PDF version to be uploaded to the web. Noel will look into sending copies to Sarah Langthorne and Bill Irwin, since they do not have a computer. This will hopefully enable people to have a copy of the minutes prior to the meeting.

### Approval of previous minutes – not completed

### Report out of Executive Meeting

Convention is still not confirmed. Bob will visit Fanshawe on October 19 to try and get a bid. No one has returned his previous emails or inquiries.

Still no communication has been received from Kathleen Gallagher, 2<sup>nd</sup> VP. Since this will be her third missed meeting the position will be considered open at the end of this meeting.

It was agreed that a complete overhaul of the CAOAC binder be completed. A request for volunteers was asked from those in attendance. The following has been determined:

- Awards & Open Show – Terry Little
- History – Paul McIntosh (absent) will be asked
- Constitution – Bob Wright
- Judges – Bob Wright
- Clubs Info/FAAS – Ken Boorman
- Co-ordination – Ann Stevens

**Committee Reports**

**Awards** – Ken suggested have a Champion of individual categories, for example, Betta’s, to encourage more participation. Terry will check into it.

Ann asked about the information for the Newsletter Award and the timeliness of the results. Nothing further was discussed.

Terry reminded everyone that the awards are based on a calendar year, January to December.

**Breeders** – A large submission was received from Winnipeg. Phil requested the list be sent to him to be added to the website.

**Futures** – Carl, Dave, Tom Mason and Phil met last week on October 10. It went well, and was over 4 hours, but a lot was discussed. There were ideas on how clubs can grow and work with CAOAC. There will be a full report in November.

**Webmaster** – Dave offered Phil to redo the website. He stated the website needs to be current and correct. Please advise Phil if anything needs to be changed. We also have a new provider. Execulink was cancelled and we are now hosted with AroundKW. Their hosting fee is only \$50 per year with lots of tools to use.

Phil would also like to include any industry news on the site. If you see anything that is news worthy please forward to him.

Phil has completed his first draft of the new site with a black background and white lettering. Some people gave him feedback that it was a little hard to read. He created another site, with a white background. It was determined, that even though the white is easier to read, the black background had more visual impact. Excellent job!!

Motion was made to accept Phil Maznyk as the new webmaster. Terry Little – 1st, Ken Boorman – 2<sup>nd</sup>.

**The Durham Region Aquarium Society has been accepted and is now the first Aquarium Club in Canada to be a member of the C.A.R.E.S. conservation and preservation organization.**

The official C.A.R.E.S. website is [www.caresprevention.com](http://www.caresprevention.com).

## Club Reports

In the past, it has been advised that if a report is not received in writing, it will not be included in the minutes. However, I (Ann Stevens) have decided that if a report is not in writing, it will be included; however, I will not be responsible for any misinterpretations. I would prefer it in writing, even if it is emailed to me before the end of the month.

**Brant** – Wednesday, November 11 they are having their regular meeting as an auction.

**Hamilton & District** – Their Show and Auction went well.

Speaker night, Saturday, November 28 at the same place, Speaker will be Lee Newman who is the curator of the Vancouver Aquarium. He will be speaking on South American and African Cichlids. A delicious supper will be served. Admission - \$25. Tickets are available. Everybody welcome.

**Kitchener Waterloo** – November 1 is our “Oktoberfish” which will now have to be Novemberfish. Doors open at 7:30 AM at the Waterloo Inn. There will be no used goods in the auction, there will be separate tables set up to sell them.

October 24, 2010 is the date set for next year's Oktoberfish.

**London** – Show went well, Our Christmas party is set for the 2<sup>nd</sup> Tuesday of December.

**Sarnia** – Show and auction went well. New location seemed to give more room. We are working on getting more members to participate in the show.

**St. Catharines** – Dave Unruh is doing well.

**Tropical Fish of Erie County** - The TFCEC will hold its annual fall auction on November 8, 2009 at the Patchin Vol. Fire Hall in Boston, New York. A new feature this year is a maximum club split of \$15.00 on any ONE ITEM that sells over \$50.00. The amount of sale over the \$50.00 on that item will go entirely to the seller

## New Business

Sally needs 2 or 3 show tanks. Apparently, CAOAC used to sell them. Apparently it got too expensive to buy. Terry does sell Beanie Baby Boxes for \$3.00 each if anyone is interested.

The question was raised about the legal importation of fish food and live fish. This will be investigated and findings brought back to the November meeting. PIJAC is the legal arm for this matter.

## **REMINDER – Membership dues are due January.**

Meeting adjourned at 1:55 by Ann Stevens and Sarah Langthorne.

**From the award committee of Kwas**

Now is the time for that person in your club that just about does everything to be honored.

There is a new award available through CAOAC for that person.

Below are some of the criteria to consider.

“For Outstanding Promotion of the Aquarium Hobby”

### **Mieca Burden Ambassador Award**

The hobby doesn't always recognize our most faithful Ambassadors - I think this award breaks new and important ground ...

Likely 15+ year's membership at an aquarium club.

Likely has held most executive positions.

Likely held various Board of Director positions.

Promote friendliness in the club's atmosphere

Promote the organization the person is affiliated with.

This award is for anybody affiliated with CAOAC.

The award will be part of the information binder of CAOAC under “Awards”.

Applications must be into CAOAC by December, applications will be forwarded to Kwas in January, where the sub-committee will make the final choice.

Applications should be in a sealed envelope and passed on to Kwas rep.

This award is not necessarily awarded every year.
