President's Message

November 2013

The CAOAC fish year continues with a flurry of activity. Upcoming club auctions are Tropical Fish Club of Erie County (Nov.2nd), Peel Region Aquarium Society (Nov.3rd), and St. Catharines and Area Aquarium Society (Nov.10th). On Nov.9th, Chatham-Kent Aquarium Society presents a Dinner with Guest Speaker Ted Judy, and on Nov.16th, the Hamilton & District Aquarium Society presents a Dinner with Guest Speaker Mark Denaro. Please check the member club webpage for more information.

November is Membership Month. The 2014 CAOAC Club Membership Application and Insurance Form was sent to each club. It must be filled out completely every year and returned, with full payment, before the December CAOAC meeting (DEADLINE!). Clubs that wish to include the Open Show Sanction Fee (\$20.00) in their payment, please clearly note this and the date of your Show, on your form. PAYPAL is available and if used for payment, note this on your form also. If your club did not receive the new form from our Treasurer by e-mail, it is because we do not have current e-mail information from you. The form is in the November Newsletter and on the CAOAC Website (Downloads). **Reminder:** All checks must be made payable to "Canadian Association of Aquarium Clubs" (NOT 'CAOAC').

This month's club meeting is a perfect time to review the CAOAC Awards available to clubs and their individual members. There are Achievement, Recognition, and Competition Awards. Some can be earned within a calendar year, while others require many years. Award categories include fish breeding, aquatic plant propagation, writing, website, newsletter, service and Open Show. A current Quick Reference Guide to BAP and AHAP Awards is in the November Newsletter. Specific rules and requirements for each award can be found in 'Award Programs' on the website (www.caoac.ca). Please note that many award applications must be completed and signed by the Executive body of the applicant's club/society. There are also different deadlines for different award applications.

President's Message

cont'd from front page

Award forms are on the 'Downloads' page of the website. **Correction note:** CAOAC no longer has regional award representatives and these submissions are to be sent directly to Award Chairman, Peter Melady. **Remember:** It is the duty of each club Executive to inform their membership of available CAOAC programs and Awards. Participation is fun, interesting, and rewarding ...for the hobby and hobbier.

The CAOAC Authors Award and Advanced Authors Award application deadline is December 8, 2013. It is awarded to any member who has, by publishing his/her work, contributed to the hobby in an outstanding way. It is not awarded for the publishing of one article, unless there is exceptional merit involved. Long standing editors of club newsletters/bulletins will be considered for this award. These awards are at the discretion of the Awards Committee and are not necessarily awarded annually.

Nominations for the Miecia Burden Ambassador Award are to be sent to Kwas CAOAC Rep. Terry Clements (tropicalfever@hotmail.ca) by December 31st. Details of Miecia's importance to CAOAC, Kwas and the hobby, as well as Award details on the CAOAC Website (Award Programs/Achievement Award). This prestigious Award is administered solely by the Kitchener-Waterloo Aquarium Society. Information details on the Web Award and Newsletter Award will be in the December Newsletter. T h e

December CAOAC meeting is December 8th. It is one week earlier than usual, and will feature a Pot-Luck Holiday Lunch at 12noon. The Executive will meet at 11AM, and the General Meeting will begin after lunch (1PM). Please plan to attend and bring a dish or dessert, and a smile and a friend, to share.

There is a lot to look forward to in CAOAC and a full month of Fall to enjoy before the busy holidays beset us.

Enjoy the season,

Claudia

FAAS – No updates, no meeting in about 6 months.

Judges – hoping to have a meeting in November. Going to contact Jerry Draper for any historical information.

Futures – Tony was not here but Claudia reiterated that he will to be contacting clubs, starting with the west with a survey, no update as to how far he has got.

Hamilton - I wanted to remind everyone that the Hamilton and District Aquarium Society will be Hosting a Dinner Speaker Evening with Mark Denaro on Saturday November 16 at the Waterdown Legion. He will have 2 presentations. One on Anabantids and the other on Marine Fish. The cost of the evening is \$25 and includes a fantastic dinner buffet. The first presentation will start at approximately 6:00 p.m.

For tickets please contact me at 905-515-3771 or de_spaey_carla@hotmail.com

Spring auction is set for March 22.

London – London had their September meeting. Dr Sandra Fazakas was the guest speaker. Sandra spoke to us about her mobile veterinary services, and about the new Ripley's aquarium that she is the vet for. It was interesting and informative.

Our speaker for October is Zenin from KWAS. He is going to be doing a photography workshop. Everyone is encouraged to bring their cameras, and Zenin will show us how to take great pictures of our fish.

On Sunday, September 29, we had our annual fall show and auction. We had just under 1100 items in the auction and just under 200 entries in our show. We had a fantastic turnout, and terrific helpers, as usual.

We have booked the hall for our spring auction. It will be held on May 4, 2014 . We have also booked the hall for our fall show/auction for Sunday, September, 28, 2014. 

Club Reports

cont'd from page 6

Peel – Auction November 3 with rule changes for show. Pre-registration for your items available October 26.

Sarnia – April 12 spring auction, elections next month.

St Catharine - Our October meeting was highlighted by Ron Bishop giving a presentation about gadgets, which was very good .Our next meeting is on November 4 and will feature Tom Mason and Tom Lamb will be helping to give a presentation about fresh water crustaceans . Our club auction is Sunday November 10th .

Erie County - November 2, auction.

Old Business

This is the third reading of the constitution motion.

Ron made a motion to change the By-Laws to state:

That the President, Treasurer, Recording Secretary, 1st VP, 2nd VP and Corresponding Secretary have the option to have signing authority. There should be a minimum of four active signing offers at the bank. Seconded Albert.

To be voted on at this meeting. Unanimously passed. Carried.

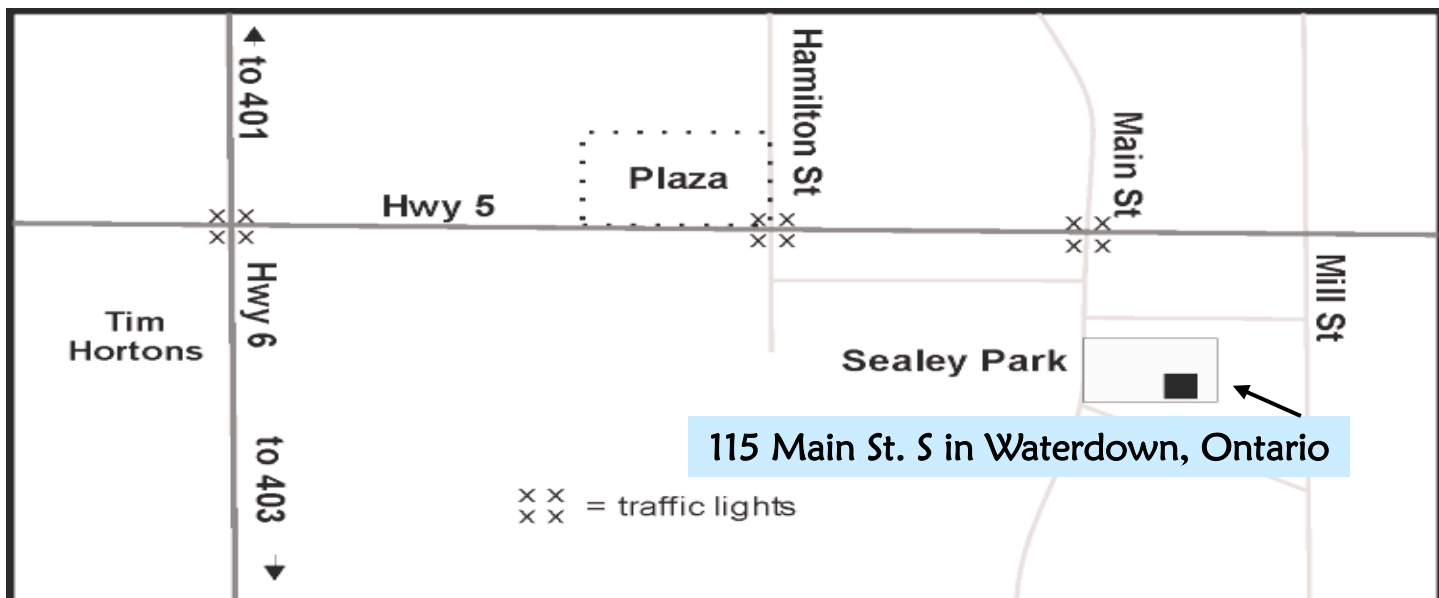

New Business

Annette read a letter received in regards to rebagging at their auction. Someone had an issue with paying for a rebagging of catfish, which he admitted the bag was leaking before he left home. Other clubs should beware. He wanted to be reimbursed for the bagging fee.

Hayden asked about clubs holding auctions on back to back to weekends, for e.g. Saturday is one club, Sunday is the other. It makes it difficult for attendance because it's splitting them trying to attend one or the other.

Motion to adjourn by Ron. Meeting adjourned at 2:32.

For more information in regards to events listed above, please check their website or members.

Deemed the organisation's highest honour, the Matsui Award is named after former WPA board president Jiro Matsui, and is presented to honour lifetime contributions to the pet industry. Richmond Hill Decides to Collaborate Not Ban

Wednesday, September 25, 2013

<http://pijaccanada.blogspot.ca/2013/09/richmond-hill-decides-to-collaborate.html>

A battle has been waging in Richmond Hill, Ontario. Activists have been working to discredit local pet store owner Elif Parnian of Pet Friends implying that she offers sub-standard dog and cats to her community. After weeks of attacks, Elif finally had her say Monday night at a council meeting. A brief presentation to council outlined Elif's business and husbandry practices, addressing accusations about her breeder and the care of the animals in her facility.

Supported by her customers, her veterinarian and proof of inspection for both her and her breeder's facilities, Elif was able to prove that she operates a top notch facility and offers healthy animals backed by guarantees and health records. By the end of the meeting Councillors voted unanimously to pass a revised motion, changing it from *how to stop the sale of dogs and cats in stores* to *how to stop animal mill animals from being offered in Richmond Hill by any source*. In addition Councillors asked Elif to join the city working group to investigate how to make this happen.

Elif contacted us weeks ago to ask for assistance and we were able to offer her the Municipal Toolkit crafted to help members address this very situation. It was our pleasure to work with her and offer her additional resources as she prepared. We also congratulate Richmond Hill city council for doing their own research and being open to working with their constituents. We will also be contacting council to offer our assistance. This is an excellent example of what can happen when parties are willing to share their resources and accept the help of others in an effort to find solutions through collaboration. This isn't as much a victory for pet stores but more of a victory for allowing good sources to continue to offer healthy pets to their community. Regardless of which side a stakeholder is on, city, breeder, rescue, citizen or business, the common goal must always be the well being of animals in our communities.

Want to participate in the meeting??

Can't make a meeting in person but would like to attend via Skype. You can, just look up Ann Stevens our Recording Secretary and add her to your list. Search for user Nov18angel and then let Ann know prior to the meeting, and she will sign onto Skype and accept your call.
