

OCTOBER 2014

Canadian Association of Aquarium Clubs

President's Message

Don't eat too much Turkey,

I hope everybody has had a chance to take in some of the Fall Auctions and Shows. The competition in the shows has been exciting. The London Aquaria Society had their show at the end of September. The turn out was down but all in all their was some great fish. The Auction was well attended as well as lots of great bargains for all. Hamilton Auction will soon be past and then Kitchener and then St Catharine's then to Peel. Lots of miles and lots of great deals. It is always nice to see old friends and meet new ones, this is one of the exciting things about our hobby.

The CAOAC executive has got the postcards and the raffle tickets for a chance to win your convention ticket. They are five dollars each and with every twenty that are sold then a draw will take place and the winner will get their convention ticket. Good luck to all.

I would like to thank Lorraine Gregson for the great job she did with the CAOAC Newsletter. Her efforts were greatly appreciated.

Also if there are interested people we need some committee people to fill some empty spots. We will be having our 50/50 Draw and the ever popular draw table so we can all either donate or buy some tickets for a chance to win what is on the tables. So come one all.

The shows and auctions are back,

Time to enjoy the fall,

Ron Bishop

CAOAC President

Club Reports

Betta – webmaster/publisher and Catherine went to the first IBC show in Cranberry Township, Pennsylvania to learn how to run an IBC show.

Chatham-Kent – nothing to report

Durham – nothing to report

Hamilton – Our Sept speaker was Ron Bishop who presented a very interesting program on "showing fish". Our group seemed to really enjoy his talk and participated in the discussion. He had some really great and true stories to share with our club. We had a good laugh at some of these stories.

Speaker for Oct is Larry Johnston on his trip to Lake Malawi. Nov speaker is Al Ridley on Barbs. Our Dec program is about celebrating Christmas and also a time for sharing with a "neighbour to neighbour" food drive. We also have a "fishy" table raffle with donated items to help raise money for neighbour to neighbour. We hold our elections in Jan.

Fall Auction - Sat Oct 4/14

Spring Auction and Show - Sat Mar 21/15

Also in attendance was NorthFin aquatic food founder Darius Chodocinkas.

See you in October when Show Jar Classes will be Large American Cichlids and AOV.

Later in October on Sunday the 26th, KWAS will be hosting our Oktoberfish Show and Auction. See the KWAS forum for more details.

OCTOBER 2014

We're on the web
www.caoac.ca

What is CAOAC?

We are often asked this question. CAOAC stands for The Canadian Association of Aquarium Clubs. We are a non-profit corporation and are composed of member aquarium, reptile & amphibian, pond & water garden, and similar clubs or societies from across Canada and the Northeast United States.

CAOAC was founded in 1959 (incorporated in 1963) to allow the clubs to work together for their common good and the good of the hobby. Legislative issues, promotion of events, a judging system, national awards, assistance for new clubs, & liability insurance are just a few of the things on which clubs can work and benefit together. Recently, a Fish Rescue Program has begun. This has been developed with outside partners who also have an interest in our hobby and environmental issues.

What are the benefits of being a member?

National awards program to honour those in member clubs who have achieved success in breeding, plant propagation, or other endeavours related to the hobby.

National judging program to train and certify judges as well as set standards that all can use to judge their shows.

Third-party liability insurance program to protect club members in case of an unfortunate accident at one of their functions.

National forum to express views and opinions.

National voice to deal with legislation which may impact negatively on our hobby and to put forward constructive ideas to politicians and bureaucrats.

A chance to become involved with people who share similar interests with yourselves.

If you are interested in joining CAOAC as a club or as a private (non-voting) member, please contact our Membership Chair, see under committees for email address.

In person meetings are held monthly (except July & August) in Waterdown, Ontario (unless otherwise posted) at the Optimist Hall where clubs which are within driving distance send their representative (s) to discuss issues of the day as well as the future.
