

President's Message

At the November meeting, we held our first raffle draw for a free convention ticket. Ron Urry of the Chatham-Kent Aquarium Society was the winner. For every 20 tickets sold, we'll have another draw for a free ticket until the March meeting. Come out to our meeting or contact the executive to purchase one now.

The December meeting is our pot luck lunch, so plan to attend. It's also the deadline for the Author's and Advanced Author's Award submissions.

December has made it's way into our lives and Christmas will soon be here, I hope everybody has a great and wonderful holiday season. I also hope we have all been good fish keepers so we don't have to worry about clumps of coal only fine grade charcoal.

It seems not long ago, I took over the President's position with CAOAC. , It's been a great year so far, with people working together to make things happen. Thank you to the executive who have supported me.

At this busy time of year take time to reflect on all you have to be thankful for, and help those in need, if possible.

Remember your fishies need to be remembered at this time too. A nice frozen treat would be a good idea.

Wishing you all the very best of the season.

Merry Christmas and
a Happy New Year

Ron Bishop
President, CAOAC

Old Business

December's meeting, the question was raised "are we going to have the traditional pot luck"? It was decided it will continue.

Ron reported that after talking with some other club president's, wearing his London President's hat; they are going to implement a charge for No Sale items. This is a club's prerogative to implement; this is just a suggestion to help eliminate time wasted on non-selling items.

AHD- No report

Archivist – Barry will ask Paul for his slides to bring to the next meeting. It's asked to stress that this is not taking away from Paul his position.

Awards – The deadline for nominations for the Authors/Advanced Authors Awards is the December 14 CAOAC meeting. The January 18 CAOAC meeting is the deadline for submissions for the Newsletter Award. All other Recognition and Achievement Awards have the February 8, 2015 CAOAC meeting as a deadline. All forms and rules are on the CAOAC website.

Binder – No updates at this time.

Breeders – Some clubs have made reports - CKAS, SAS, ASW (KWAS did a report as well last month) Peter Melady has a first in - Betta strohi

FAAS – no report

Fish Rescue – A list of fish seeking homes was included in the newsletter and email.

Judges – Nothing to report.

Memberships – Half the clubs have been sent emails re insurance, the balance will go out this week.

November 16 Minutes—Cont'd.

Open Shows – All reports have now been received. Missing is the CAOAC convention show, Barry will send to Barb.

Programs- 2 clubs have availed themselves of programmes in the last month. Windsor Aquarium Society borrowed 2 DVDs for a couple of their meetings and St. Catharines borrowed one which they returned promptly. Work is progressing slowly on cataloguing all the DVDs but I hope to have them all at least listed in the coming week. As soon as that list is complete I will send it to Ann. I will then continue to work my way through watching them all and write a summary and rate all of them as I find time.

Steering – No report

Ways & Means –

Ed donated meatball soup in October, and bean soup in November.

The November meeting had one bag of fish for auction, Barry brought *Melanotaenia Splendida splendida* "Deepwater Creek", 8 juveniles from Gary Lange stock for auction. Sold to Ron Bishop for \$20.00. This was instead of a raffle.

Pop and water are going to be purchased for the December potluck. The only other supplies needed are bowls.

50/50 was won by Barry and won \$14 and the CAOAC share is \$14.

Website – No new updates. Peter will send an updated list of award recipients for the web.

Convention 2015

Catherine has sold 12 raffle tickets at \$5 each and attendees bought the balance to have a draw. Ron Urry, from Chatham-Kent won the first draw. Catherine gave Albert a \$100 cheque for the money raised.

November 16 Minutes—Cont'd.

Catherine is looking at having a separate auction for the Bettas in the show area. She is checking on guidelines for the show, example, is there a maximum allowed, etc.

Barry will send Barb last year's report on the show and then rules and classes will be outlined for 2015. Barb needs to know how the room is going to be set up. Once the classes are determined, correspondence will go out to past sponsors.

Once the hotel receives 20 nights booked, CAOAC will get a suite for free. Any additional free rooms will be for the speakers.

Lisa asked if there is a special logo. The answer is no, we will use the "over 50 years" logo.

Club Reports

Betta – Catherine to send

Chatham-Kent - Last meeting we had Ken give us his new Australian Rainbowfish and Blue-Eyes: A Myriad of Forms talk and it was well received by all in attendance. Next month is our potluck Christmas get-together and as such there won't be a speaker present. We tried a new thing for us at this meeting – we had a mini-auction at the conclusion of the meeting instead of our usual raffle. Money raised was about the same as for a raffle but this is a way of giving something to our club members for their items they were donating before. We work on a 75%/25% split for that reason. Only club members are entitled to submit lots for the end-of-meetings auctions. We will continue this practice for a least a few meetings in the new year when after which we will review things again.

Durham –

Hamilton – -fall auction very successful. Special thanks to Big Al's, Northfins and Martin Mills for setting up booths

-Nov speaker was Zenin on "photograph". Really great presentation. Recommend this program.

- December meeting is one week earlier - Christmas - games with Noel N - neighbour to neighbour food drive - fishy table to raise \$ for neighbour to neighbour. All donation are accepted and do not need to be fish related. We are serving pizza and wings. Potluck deserts.

-Jan elections

Kitchener – Our November meeting featured Kirk Gibson from Toronto speaking on aquarium plants in low tech and high tech setups. Show Jar Classes were Anabantids, Plants as well as Any Other Variety. This was the last show jar of the year, plaques will be awarded to 1st, 2nd and 3rd place overall at the December meeting.

Our annual Oktoberfish Show and Auction on 26 October had an 11% increase in registered sellers and buyers from last year. There were less fish in the show, but a similar number of people placing entries.

Our December meeting is a social event with pot luck food, a free raffle for members and fish races.

Check the Kwas Facebook page for recent meeting photos and Oktoberfish https://www.facebook.com/pages/Kitchener-Waterloo-Aquarium-Society/141380715918322?sk=photos_stream&tab=photos_albums

November 16 Minutes—Cont'd.

London – Our meeting was held on Remembrance day. After a moment of silence, for our fallen soldiers, and one of our club members, we started. We had approximately 35 members in attendance. We had Darius and Javier from Northfin come in to speak about their foods. It was a good talk, and many questions were asked and answered. A few of our members are looking forward to discussing further food options and possible suppliers with Darius and Javier.

We had our second successful 50/50 draw with Betsy Ulyatt winning \$24.00. We had a jar show which included a novice category for newer members. We also had our regular monthly auction. One of our club members, Stewart Groenveld passed away, on October 28, 2014. Our club decided to make a \$100.00 donation to brain cancer research in Stewart's name, in lieu of flowers. Many of our members were able to attend a lovely service on November 8, 2014. Stewart's smile and energy will be greatly missed.

Our Christmas meeting will be held on Tuesday, December 9, 2014. It will be a potluck, there will not be a speaker. The club will supply pizza and soft drinks. Nancy Egelton, who just returned from the Aquatic Experience, has brought back many gifts to be shared with the membership at the meeting.

Our new membership cards will also be coming out.

Sarnia – Tuesday, Nov 18, our program will be BAP presentations by our members to satisfy requirements for points. We also will be having our elections for the coming year. Our December meeting is our Christmas/ Awards potluck where we give out year-end awards

St. Catharines – Please say thank you to Ron and Annette and the others from London that helped us with our auction last week.

My club report is as follows, for our October meeting we had a CAOAC program about cichlids from lake Malawi . Last Sunday was our auction we were pleased with how everything went. Our December 1st meeting is our Christmas party, no program scheduled as of yet.

Thank you Annette, Phil, Albert and Peter for sending their reports prior to the meeting. Thank you to those who sent their reports after also. I appreciate it.

New Business

Barb will send a write-up for Junior Champion of Champion award to be included in the newsletter.

Ann will send an email to Kitchener-Waterloo for information for the Mecia Burden award to be included in newsletter for awareness.

Barb mentioned using some of the money left from the Brantford club. One to be set up as a trust for sponsorship for CAOAC convention show class and the other to be held in trust for when a Brantford club is re-opened.

Next meeting will be the Christmas Potluck on December 14.

Motion to adjourn by Ed and seconded by Barry. Meeting adjourned at 2:27.

DECEMBER 2014

We're on the web
www.caoac.ca

What is CAOAC?

We are often asked this question. CAOAC stands for The Canadian Association of Aquarium Clubs. We are a non-profit corporation and are composed of member aquarium, reptile & amphibian, pond & water garden, and similar clubs or societies from across Canada and the Northeast United States.

CAOAC was founded in 1959 (incorporated in 1963) to allow the clubs to work together for their common good and the good of the hobby. Legislative issues, promotion of events, a judging system, national awards, assistance for new clubs, & liability insurance are just a few of the things on which clubs can work and benefit together. Recently, a Fish Rescue Program has begun. This has been developed with outside partners who also have an interest in our hobby and environmental issues.

What are the benefits of being a member?

National awards program to honour those in member clubs who have achieved success in breeding, plant propagation, or other endeavours related to the hobby.

National judging program to train and certify judges as well as set standards that all can use to judge their shows.

Third-party liability insurance program to protect club members in case of an unfortunate accident at one of their functions.

National forum to express views and opinions.

National voice to deal with legislation which may impact negatively on our hobby and to put forward constructive ideas to politicians and bureaucrats.

A chance to become involved with people who share similar interests with yourselves.

If you are interested in joining CAOAC as a club or as a private (non-voting) member, please contact our Membership Chair, see under committees for email address.

In person meetings are held monthly (except July & August) in Waterdown, Ontario (unless otherwise posted) at the Optimist Hall where clubs which are within driving distance send their representative (s) to discuss issues of the day as well as the future.
