

President's Message

January is here as well as 2015. Happy New Year to one and all. On behalf of my family to yours, I wish all the best in the future and all the happiness that a new year can bring - like different fish we bring into our home and plans to attend this year's CAOAC Convention.

The CAOAC Annual Convention is being hosted by CAOAC and will be held in Burlington, Ontario. Check our website for details of speakers and pricing. **March 14** is the deadline to purchase a convention ticket and be entered into a draw to win your ticket, as well as, register your hotel room and be entered into a draw to receive a free Ken McKeighen print.

This month **January 18** is also the deadline to send your newsletters to Ray Kingfish Lucas for judging for the CAOAC Newsletter Award. His email address is included in the minutes under the Awards report. Please send an email to Peter Melady informing him that you have entered your newsletters for consideration. Details for this award are available on the website.

Come out to our meetings, where possible, and enjoy the fellowship and sharing of information. We have been having raffles and sometimes even auctions of an item or two. We've even had some hot lunches!

Also, with the start of anew year, brings about spring auctions. Make sure you contact the webmaster to have your auction included in our calendar.

Correspondence

Ann received an email from Dave Johnson, from the Optimist club. "The City has required us to maintain tenant information and to require insurance by tenants. I would like to use yourself as a contact under our records, via phone or email. The insurance requirement is for \$2 million liability. Your organisation may already carry insurance and the insurer can email certificate to me naming the City of Hamilton and Optimist Club as named insured for the use of the Sealy Park Hall. If not, I can refer you to Jeanne Hood, City of Hamilton, 906 546 2424 x 7594 jeanne.hood@hamilton.ca as she has access to insurance for hall users. As well you may try insurer of your choice. I will keep the church posted with your dates. Thanks Dave Johnson Optimist Club Waterdown." The email was forwarded to Albert who advised this will be done in January.

Ann Marie received email re: fish rescue claiming email didn't work. No replies to her follow up email.

New Business

Peter raised the concern that there seems to be a decline again in attendance at the meeting. We need to reach out to people to see what we need to change. On June 28, 2015 the barbecue meeting will be all 'Presidents' or someone from each club to attend and we will have a discussion on the direction of CAOAC. Ann will create a survey and send out to all clubs. Items will cover programs, awards, and communication. The agenda for the meeting will be determined by the outcome of the survey.

Not for Profit status question was raised again by Ann Marie, as it is in effect provincially and federally. Ann to contact Bob for guidance and call for more information. Include link in newsletter.

Link to Ontario government website information for legislation affecting Not For Profit organizations.

<http://www.sse.gov.on.ca/mcs/en/Pages/onca4.aspx>

It's important to note that this has not finalized, however, it is expected to come into affect in 2016. All organizations will then have 3 years to comply from the date it goes into effect.

Adjourned at 11:55 by Peter, second by Ken.

I spent \$ 31.55 on pop, plates, bowls, cream, egg nog and ice.

Our raffle of donated items brought in \$12.00

The donated heater brought in \$2.00

There were no donations made.

The 50/50 total came to \$34.00, (did not include in in/out totals) but it was decided that instead of keeping the CAOAC's 50% that we would have 2 winners of \$17.00

Money out was 31.55

Money in was 14.00

We still have \$70.90 to start next month.

Website – No new updates. Peter will send an updated list of award recipients for the web. A request was made to create a PDF form for the membership application. Program list will be uploaded within the next few days.

Convention 2015

Ken has reviewed all the proposals for dinner. It appears we will be losing about \$7. Per ticket

Catherine asked if a betta judge wants to attend the speakers, what type of ticket do they need to purchase. The answer is, if they are going to attend a speaker's presentation, then a full convention ticket needs to be purchased. This applies to anyone accompanying a guest speaker.

Club Reports

Plaques were awarded to 1st, 2nd and 3rd place overall Mini-Show entrants. Other annual awards were Hobbyist of the Year, Breeder of the Year and the President's Award. The Author of the Year was not in attendance, so it will be presented at the January meeting. The highlight of the evening were the fish races!

Thank you Carla, Annette, Phil, Zenin, and Peter for sending their reports prior to the meeting. Thank you to those who sent their reports after also. I appreciate it.

Old Business

Ann asked for some write up for the Meicia Burden award. All that was received was a link to the CAOAC web page. It has been suggested that since this is not a CAOAC award, it will be moved to the bottom of the list and suggest they provide a link to the web page from their own website.

New Business

Next meeting will be January 18.

Not-For-Profit Corporations Act

This item was discussed briefly at the last CAOAC meeting. It is Federally and provincially legislated. Here are some links:

Federal— [Canada Not For Profit Corporations Act](#)—unless you are registered with the federal government, you do not need to worry about this. If you are, the transition date was October 17, 2014. CAOAC is not incorporated federally.

Provincial

Alberta—[Incorporate a Non Profit Body](#)— This act has two classifications that may apply to aquarium clubs. One is a Not for Profit and the other is Society. Guidelines for both are listed there. I didn't find any new legislation pertaining to this. There is an independent file available in regards to incorporating and covers the different legislation. Check it out at volunteeralberta.ab.ca/varc/wp-content/uploads/2012/10/rcvo-howtoincorporate.pdf

British Columbia—[Incorporating a Society in British Columbia](#)— Information is available here to set up or register.

Manitoba—[Guidelines for applying for Not For Profit status](#)—The step by step guidelines are here, but I don't see anything new.

New Brunswick—[Starting a Non-Profit Organization](#)—guidelines and questions and answers can be found here.

Newfoundland & Labrador—[How to Incorporate a Non-Profit Organization](#)—information is available here to help set up if not already

Nova Scotia—[Society Incorporation \(and registration\)](#) - this site gives you some basics as well as links to other government websites pertaining to this topic.

Northwest Territories—[Handbook for directors and members of societies](#)—a helpful handbook in PDF form

Nunavut—I couldn't find anything for this province relating to not for profit organizations

Ontario— [Ontario Not For Profit Corporations Act](#)— This act has not been passed into law yet. Currently it is expected to possibly be in effect in 2016. Once it does go into effect, you have 3 years to comply.

Prince Edward Island— Other than filing an Annual Return, I couldn't find any real information

Quebec—[Constitute a Non Profit Legal Person](#)—Quebec refers to a group as a person

Saskatchewan—[The Non-Profit Corporations Act](#)—This is divided into two groups, charitable or membership.

Yukon—couldn't find anything specific here

From reviewing most of these sites, it appears that most state you do not have to register, however, the main benefits of incorporating are:

1. To have a formal operating structure. A corporation is a distinct legal entity with the powers of a natural person -- it can sue and be sued in its own name (an unincorporated organization can only sue through its members personally).
2. To allow members to have limited legal responsibility (liability) Generally, members of a corporation are not personally responsible for its debts and obligations, unlike members of an unincorporated organization. Directors and officers, however, may be personally responsible in certain circumstances.

JANUARY 2015

We're on the web
www.caoac.ca

What is CAOAC?

We are often asked this question. CAOAC stands for The Canadian Association of Aquarium Clubs. We are a non-profit corporation and are composed of member aquarium, reptile & amphibian, pond & water garden, and similar clubs or societies from across Canada and the Northeast United States.

CAOAC was founded in 1959 (incorporated in 1963) to allow the clubs to work together for their common good and the good of the hobby. Legislative issues, promotion of events, a judging system, national awards, assistance for new clubs, & liability insurance are just a few of the things on which clubs can work and benefit together. Recently, a Fish Rescue Program has begun. This has been developed with outside partners who also have an interest in our hobby and environmental issues.

What are the benefits of being a member?

National awards program to honour those in member clubs who have achieved success in breeding, plant propagation, or other endeavours related to the hobby.

National judging program to train and certify judges as well as set standards that all can use to judge their shows.

Third-party liability insurance program to protect club members in case of an unfortunate accident at one of their functions.

National forum to express views and opinions.

National voice to deal with legislation which may impact negatively on our hobby and to put forward constructive ideas to politicians and bureaucrats.

A chance to become involved with people who share similar interests with yourselves.

If you are interested in joining CAOAC as a club or as a private (non-voting) member, please contact our Membership Chair, see under committees for email address.

In person meetings are held monthly (except July & August) in Waterdown, Ontario (unless otherwise posted) at the Optimist Hall where clubs which are within driving distance send their representative (s) to discuss issues of the day as well as the future.
