

President's Message

All awards nominations are due at the February Meeting. So if you have any members in line for awards please submit before then.

The Awards Committee is looking forward to all the applicants for the awards to being submitted on time in order to qualify.

The Web Site has had some updates, a great job by Ann and Peter. There has been a lot of progress getting it more in order every time I get a chance to spend some time getting caught up.

Please consult the calendar for updated events this month, including the Durham Awards Banquet featuring Larry Johnson speaking on his recent trip to Africa. Come out and support them if you can. It is always a fun evening and the meal is great. I know we have enjoyed it every time we have gone. Hamilton Aquarium Club are also planning a talk and dinner for some time in November, watch for updates.

The CAOAC convention is fast approaching on the May Long weekend. Check back often for updates.

Candy is Dandy and it might help get that new tank in the fish room. Happy Valentines Day

Ron Bishop
President CAOAC

AHD- I have nothing to report.

Archivist – no report.

Awards – Today, January 18 2015, is the deadline for Newsletter Award submissions. They should have been sent to Ray 'Kingfish' Lucas.

All other Achievement and Recognition Awards are due by the February 8 CAOAC meeting. All rules, requirements and forms are on the CAOAC website.

Past recipients of all Achievement & Recognition Awards have been sent to the Webmaster for uploading to the Awards portal on the CAOAC site.

Binder – All recipients have been included in the Awards section of the binder. The new program list has been added to the program section.

Breeders – submissions from Kitchener and a first in from Terry Clements for a goby cichlid.

FAAS – nothing until they have another meeting

Fish Rescue – Ontario Anglers and Hunters have asked if we still want to be involved in the fish rescue as they are putting out a new pamphlet. No results from list in newsletter.

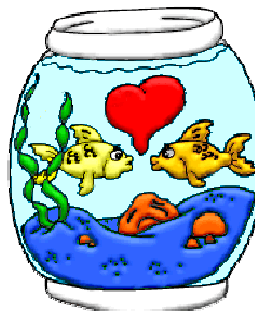

Judges –Current list of Active Sanctioned judges are:

Name	Club	Name	Club
Chris Larsen	Regina	Paul Mansfield	Regina
Kris Taylor	Winnipeg	Ken Ealey	Edmonton

Club Reports

[Betta](#) – At our Jan on-line, the membership worked on the plans for the IBC District 6 show. The final touches were put on the class list for the show. Plans were made to send a copy of the class list to all the CAOAC clubs to promote the Betta show.

There was a discussion on limiting the number of items to be entered by each individual for the Betta auction at the convention. The thinking was that we did not want someone to place a large number of one spawn in the auction just to get rid of them. We will be looking for top quality fish to help further members breeding programs. Also dry goods will be accepted.

Fund raising was discussed: Possibility of putting in a t-shirt order with the clubs logo, having another Face Book live Betta auction.

The BBC post cards with the CAOAC and IBC District show are being printed and will be distributed when available. Members were asked to check out their local trophy shops to see what their prices are. Trophies or plaques will be needed for the top awards at the show.

[Calgary](#) – 76 members, with 5 new ones at the last meeting. Auction is on March 8th. Last meeting was on plants, LED's and CO2 by Barry Benia, next meeting is TBA possibly on fish breeding, March is the Chicago Aquatic Experience by yours truly.

[Durham](#) – Durham Region Aquarium Society December report.

January 18 Minutes—Cont'd.

We anticipate receiving our certificate of insurance at this meeting as it expires on the 21st of January. The January general meeting featured Carol and Jim Taylor on "Lionfish in the Caribbean" which included great underwater video.

February January program is Jessica Bullock HDAS – everyone is welcome.

Our annual Dinner & speaker program is February 21st at the Mandarin (Pickering) with the full buffet dinner and speaker is Larry Johnson on "Swimming with Cichlids". Cost is \$35. Tickets can be purchased or reserved at the CAOAC General meeting.

Membership is 79.

[Hamilton](#) – Our January meeting was the beginning of another year with our executive remain in the same.

President - Karen Rogers

1st vice - Peter Desouza

2nd- Jessica Bullock

Secretary - Margaret Dent

Treasurer - Albert Van Montfort

Our program was presented by Jessica Bullock on Dwarf Cichlids. It was an excellent program that I highly recommend.

February speaker is Peter Desouza on Killie fish. Our spring auction and show is on Sat March 21 at the Waterdown Legion. Doors open at 8 am.

They are looking at bringing Anton Lamboj as a guest speaker in the fall. More details to follow as they are firmed up.

[Kitchener](#) – Our January meeting featured our President Al Ridley discussing various methods of breeding fish and our Breeder's Award Program. A new room layout was tried to encourage more interaction between those in attendance.

The Mini-Show featured classes were Rainbows, Dwarf Cichlids and AOV. The Author of the Year was presented to Bob Channen. We had some guests and a few new members due to our presence on Facebook.

Check the KWAS Facebook page for photos:

[sk=photos_stream&tab=photos_albums](#)

[London](#) - Our January meeting was supposed to have Tom Lam from Shrimp Fever, but unfortunately he was unable to attend, instead everyone talked about how they got into the hobby, who their mentors were, etc. There was some lively discussion. Even some of the newer members got involved.

Our 50/50 draw was won by one of our junior members, Tyler Zinn. Tyler won 27.50. We had a very good sized auction.

Our February meeting will have Bill Gibbons doing a talk.

Spring auction is Sunday, May 3 in Dorchester.

[St. Catharines](#) – In January our own Tom Bridges give an excellent presentation about discus.

Our next meeting is February 2nd, no word yet about a program.

Thank you Annette, Zenin, Peter, Barry, Carla and Phil for sending their reports prior to the meeting. Thank you to those who sent their reports after also. I appreciate it.

Convention 2015

The menu has been set. A sponsorship letter was approved by the executive and will be sent out by Ken this week.

For the Betta Show, all fish must be pre-registered prior to convention.

Convention post cards are available.

Discussion ensued about the number of classes for the CAOAC show. It may be reduced and the change will be reflected on the web. Sponsors are needed and the cost is \$30 per class. Best of Classes are \$50 and Best of Show is \$100. Cost to enter the show is \$1.00 per entry. Levacks will handle the award plaques again this year.

Albert is looking after the administration of the auction. George volunteered to run the 50/50.

New Business

Next meeting will be February 8.

Motion to adjourn by Barry and seconded by Tom. Meeting adjourned at 1:40.

Recognition & Achievement Awards

This is your last chance to apply for these awards. All awards must be to the Awards Chair by the start of the meeting, February 8, 2015. Any received after that date will apply to next years' awards .

If you have any questions, you can either check the website <http://www.caoac.ca/awards.html> or contact Peter Melady, Awards Chair at hpmelady@hotmail.com.

Not-For-Profit Corporations Act

This item was discussed briefly at the last CAOAC meeting. It is Federally and provincially legislated. Here are some links:

Federal— [Canada Not For Profit Corporations Act](#)—unless you are registered with the federal government, you do not need to worry about this. If you are, the transition date was October 17, 2014. CAOAC is not incorporated federally.

Provincial

Alberta—[Incorporate a Non Profit Body](#)— This act has two classifications that may apply to aquarium clubs. One is a Not for Profit and the other is Society. Guidelines for both are listed there. I didn't find any new legislation pertaining to this. There is an independent file available in regards to incorporating and covers the different legislation. Check it out at volunteeralberta.ab.ca/varc/wp-content/uploads/2012/10/rcvo-howtoincorporate.pdf

British Columbia—[Incorporating a Society in British Columbia](#)— Information is available here to set up or register.

Manitoba—[Guidelines for applying for Not For Profit status](#)—The step by step guidelines are here, but I don't see anything new.

New Brunswick—[Starting a Non-Profit Organization](#)—guidelines and questions and answers can be found here.

Newfoundland & Labrador—[How to Incorporate a Non-Profit Organization](#)—information is available here to help set up if not already

Nova Scotia—[Society Incorporation \(and registration\)](#) - this site gives you some basics as well as links to other government websites pertaining to this topic.

Northwest Territories—[Handbook for directors and members of societies](#)—a helpful handbook in PDF form

Nunavut—I couldn't find anything for this province relating to not for profit organizations

Ontario— [Ontario Not For Profit Corporations Act](#)— This act has not been passed into law yet. Currently it is expected to possibly be in effect in 2016. Once it does go into effect, you have 3 years to comply.

Prince Edward Island— Other than filing an Annual Return, I couldn't find any real information

Quebec—[Constitute a Non Profit Legal Person](#)—Quebec refers to a group as a person

Saskatchewan—[The Non-Profit Corporations Act](#)—This is divided into two groups, charitable or membership.

Yukon—couldn't find anything specific here

From reviewing most of these sites, it appears that most state you do not have to register, however, the main benefits of incorporating are:

1. To have a formal operating structure. A corporation is a distinct legal entity with the powers of a natural person -- it can sue and be sued in its own name (an unincorporated organization can only sue through its members personally).
2. To allow members to have limited legal responsibility (liability) Generally, members of a corporation are not personally responsible for its debts and obligations, unlike members of an unincorporated organization. Directors and officers, however, may be personally responsible in certain circumstances.

Frequently Asked Questions (FAQ)

Did you miss a copy of the newsletter?

Past copies of the newsletter are available on our website www.caoac.ca/newsletters

Why isn't my event listed on the website?

If you have an event you want included on the website, send the information to the webmaster and it will be added.

Why am I not receiving emails or notifications?

Please send changes of email address to the newsletter editor and correspondence secretary to keep us up to date.

I'm not a CAOAC representative, can I attend a meeting?

Your are welcome to attend a General Meeting. You just do not have a vote. We'd be happy to see you.

I don't live in Ontario, how can I participate in the meeting?

You are available to Skype into the meeting. Search for ann.stevens11@gmail.com in Skype and request to be added, mentioning your interest in participating in the meeting.

Do I have to belong to a club to attend the convention?

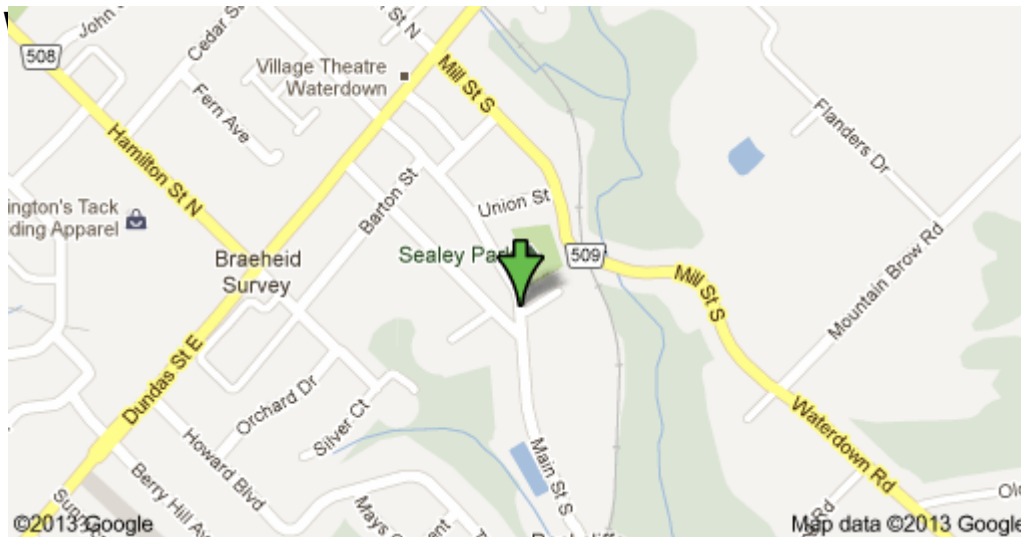

No, but it is helpful to keep up to date with current events in your area.

I have a suggestion for the meeting, how can I get it mentioned?

You can email anyone on the executive and they will raise your comment at the next meeting under Correspondence.

EVERYONE IS WELCOME TO OUR REGULAR MEETINGS. Where we meet

12:00 PM CAOAC General meeting

NEXT MEETING IS February 8, 2015.

FEBRUARY 2015

We're on the web
www.caoac.ca

What is CAOAC?

We are often asked this question. CAOAC stands for The Canadian Association of Aquarium Clubs. We are a non-profit corporation and are composed of member aquarium, reptile & amphibian, pond & water garden, and similar clubs or societies from across Canada and the Northeast United States.

CAOAC was founded in 1959 (incorporated in 1963) to allow the clubs to work together for their common good and the good of the hobby. Legislative issues, promotion of events, a judging system, national awards, assistance for new clubs, & liability insurance are just a few of the things on which clubs can work and benefit together. Recently, a Fish Rescue Program has begun. This has been developed with outside partners who also have an interest in our hobby and environmental issues.

What are the benefits of being a member?

National awards program to honour those in member clubs who have achieved success in breeding, plant propagation, or other endeavours related to the hobby.

National judging program to train and certify judges as well as set standards that all can use to judge their shows.

Third-party liability insurance program to protect club members in case of an unfortunate accident at one of their functions.

National forum to express views and opinions.

National voice to deal with legislation which may impact negatively on our hobby and to put forward constructive ideas to politicians and bureaucrats.

A chance to become involved with people who share similar interests with yourselves.

If you are interested in joining CAOAC as a club or as a private (non-voting) member, please contact our Membership Chair, see under committees for email address.

In person meetings are held monthly (except July & August) in Waterdown, Ontario (unless otherwise posted) at the Optimist Hall where clubs which are within driving distance send their representative (s) to discuss issues of the day as well as the future.
