

President's Message

Lest we forget,

I hope everybody has had a chance to take in some of the Fall Auctions and Shows. The competition in the shows has been exciting. The Kitchener, Waterloo Aquarium Society had their show at the end of October. The turn out was alright but all in all there was some great fish. The Auction was well attended as well as lots of great bargains for all. The Peel Auction will be next then St Catharine's . Lots of miles and lots of great deals. Then it is time to get ready for the cold and crappy weather and with all the new species to breed over the winter this is one of the exciting things about our hobby.

The London Aquaria Society executive has got the raffle tickets for a chance to win your convention ticket. They are five dollars each and with every twenty tickets sold, a draw will take place and the winner will get their convention ticket for free. Good luck to all.

I would still like to see a few more faces at the CAOAC Meeting in Water-down , As this is a great way to increase the communication between the clubs and find out what everybody is doing to help their club work and maybe get some fresh ideas to bring back to your own club. We had a few new faces at the last meeting but there were still a lot of empty chairs around the table. Remember an empty chair makes no noise and there are a lot of great ideas that are not being shared. It is very discouraging when you hear grumbling from the clubs that don't make an appearance at the meetings. When you hear this stuff from somebody who was not there it has no bearing on those that were. We had a great discussion from those in attendance at the last meeting and lots of great ideas came out. For those who don't care to show up I guess you will have to put up with the your same ideas . Once again, Remember a empty chair makes no noise.

Also if there are interested people we need some committee people to fill some empty spots. We will be having our 50/50 Draw and the ever popular draw table so we can all either donate or buy some tickets for a chance to win what is on the tables. So come one all.

If there are any clubs out there that have changes in executive please get the new information to us so we can update our records.

The chill is in the air, Time to enjoy the fall,

Ron Bishop, President, CAOAC

An email was received in August in regards to a Peterborough Pet Expo. Due to a lack of quorum, it wasn't discussed at the last meeting. It was thought it should be something looked at for the next one. Ken advised that there are 4 per year throughout Ontario. A good idea would be to let the clubs know if they want to help man the booth and include flyers or newsletters.

Discussion in regards to the insurance ensued. Ann to send out survey to clubs with questions asked from insurance company and increase in coverage.

Convention

Minutes – Peter made a motion to accept the minutes from the June meeting. Ken seconded. Carried

Calgary – We are at about 80 members and have our fall auction today!! I'm auction chair and will not be able to attend the CAOAC meeting. The DRAS Annual Dinner and Speaker details are under development.

Aquarium is April 17th, 2016 at the Ajax Community Centre. We are working on some changes TBA'

Hamilton – Our fall auction was a great success. Spring auction and show is on Sat. March 19 if you can please sanction that date.

Anton Lamboj will be presenting 2 talks at our dinner on Sat. Nov 14 at the Waterdown Legion. West African cichlids and Bettas. Pot-luck Dinner item and a Neighbour- to-Neighbour Food Drive. Cost is \$15. Please contact me at events@hdas.ca for tickets.

Don't miss out on this once in a lifetime opportunity.

Kitchener-Waterloo - Our October meeting featured Catherine Salmon speaking on Bettas. The Mini-Show classes were Large American Cichlids and AOV. Name that plant was Wisteria. London - On the Tuesday following Thanksgiving, we had our meeting, we did not have a speaker.

We talked about some of the decisions that were made for our convention in May 2016.

We had two golf shirt options brought forth. There will be a follow-up convention meeting to finalize the rest of the details and make any final decisions, so we can move on with printing out tickets and advertising. The meeting was to be held on Saturday, but our treasurer's partner who was also a club member, passed away suddenly and we will have to reschedule. We will also hold a meeting to discuss any updates that may need to be made to our by-laws.

We wish to express our sincerest condolences to Bob Steele on the passing of Laurel Westman.

Sarnia - While attendance and sale items were low at our September auction; we still managed to turn a small profit. Elections are coming up in November and Awards/Christmas party are in December.

St. Catharines - The club report for St Catharines is as follows. Last month we had a club member give an excellent presentation about setting up planted tanks .

Our next meeting will be Monday November 2nd and our member Pam Danyluk will be giving a presentation on nutrition and her product "Critter Crumbs" ever one is welcome. Also club auction is November 29, doors open at 8:00, auction begins at 10:00, cash only.

Windsor – planning an auction in the spring and elections are this month.

Thank you Peter, Albert, Annette, Ann Marie, Zenin, Carla and Phil for sending their reports prior to the meeting. Thank you to those who sent their reports after also. I appreciate it.

Convention 2016

We gave out our first full convention ticket to Glen Hawkins of Windsor. He won our first raffle. We are in the midst of selling more raffle tickets to give away another full convention ticket. The date of the convention is Friday May 20- Sunday, May 22, 2016. It will be hosted by the London Aquaria Society who is celebrating their 60th anniversary! It will be held at Fanshawe College on Oxford St in London. It is close to the airport and many amenities.

The speakers are Leslie Dick, on Goodies / Livebearers. Mark Denaro, on Anabantids. Hernan Lopez Fernandez, on density and diversity of fish populations. Karen Randall who was at the last London convention is returning to talk on plants. Ken Mckeighan, on Killies. Ken is also doing some paintings, one for an earlybird draw for room bookings, and some others that may be auctioned off. Ray Lucas will be doing our ice breaker on the Friday night.

CAOAC will also sponsor the Hospitality Suite again this year supplying pop and water and chips and other munchies.

Saturday will be a large fish show, including Betta classes. The Betta Congress will be joining us. They will have their own show and auction which will not interfere with ours. Also the Killie Club Of South Western Ontario will be joining the convention

On the Saturday night we will be having the awards dinner, to be followed by karaoke and a dance. We are hoping to have all of the club presidents donate something for door prizes.

Sunday will be the AGM, which we encourage people to attend. Followed by an auction.

More details to follow, once there is a meeting with the college and then the convention committee. Meals will be decided on as well as prices. We are hoping to have golf shirts for sale to club members first and if there are more, then they can be sold to others who wish to buy them.

CAOAC is looking for a club who would like to host the 2017 convention. A final Convention budget will be sent in November.

We're on the web

What is CAOAC?

We are often asked this question. CAOAC stands for The Canadian Association of Aquarium Clubs. We are a non-profit corporation and are composed of member aquarium, reptile & amphibian, pond & water garden, and similar clubs or societies from across Canada and the Northeast United States.

CAOAC was founded in 1959 (incorporated in 1963) to allow the clubs to work together for their common good and the good of the hobby. Legislative issues, promotion of events, a judging system, national awards, assistance for new clubs, & liability insurance are just a few of the things on which clubs can work and benefit together. Recently, a Fish Rescue Program has begun. This has been developed with outside partners who also have an interest in our hobby and environmental issues.

What are the benefits of being a member?

National awards program to honour those in member clubs who have achieved success in breeding, plant propagation, or other endeavours related to the hobby.

National judging program to train and certify judges as well as set standards that all can use to judge their shows.

Third-party liability insurance program to protect club members in case of an unfortunate accident at one of their functions.

National forum to express views and opinions.

National voice to deal with legislation which may impact negatively on our hobby and to put forward constructive ideas to politicians and bureaucrats.

A chance to become involved with people who share similar interests with yourselves.

If you are interested in joining CAOAC as a club or as a private (non-voting) member, please contact our Membership Chair, see under committees for email address.

In person meetings are held monthly (except July & August) in Waterdown, Ontario (unless otherwise posted) at the Optimist Hall where clubs which are within driving distance send their representative (s) to discuss issues of the day as well as the future.
