# Presidents Message

---

## *Happy Father's Day,*

First of all I would like to say that on behalf of the London Aquaria Society we would like to thank all who joined us in London at Fanshawe College at the CAOAC convention on the May 24th weekend. We had a great line up of guest speakers and lots of info was gathered by all those in attendance. It was nice meeting the Betta People who put on a great show for the second time in Canada. It was also great to have the Southern Ontario Killifish and the Trans Canada Guppy Breeders all join in to make the convention that much more of an occasion. We spent some time with a lot of the people in the hobby who made this hobby of ours so interesting. We had a great time and the Fanshawe College staff was most helpful. Thanks to all the Presidents and their clubs who donated to the Presidents Draw at the dinner. Thanks to all who made this convention a success. I know when we got home a well deserved rest was due and we took full advantage of the extra day off.

Congrats to the Hamilton District Aquarium Society for their bid on the 2017 CAOAC Convention. I cannot wait to see the fantastic job that will be doing to make their event as much fun as possible. I hear rumours that they have already been in contact with some speakers and the venue has been approached. Looking forward to all of their announcements with the plans of convention 2017.

We have a couple of vacancies to fill with Tom Mason stepping down as the Fish Rescue person. Tom has done a great job for so many years in the fish rescue program. I am positive if somebody or a group of people do this job it will run as smoothly as it did when Tom did it. Also we had another resignation from Brian Glazier from the Judges Committee Chairman. Brian has done a fantastic job and will be another needed position to fill. Thanks to both of you guys for your service to CAOAC over the past years.

We have a full slate of executives for the upcoming year. If anybody has an interest in any of the committees please let it be known. Whatever help can be offered will be a benefit to all.

The Presidents Pot Luck will be held in Waterdown on the 26th of June after the Executive meeting with the general meeting. It would be a lot nicer if we had more seats filled around the table with whatever means that are available to us. After that we all have a chance to enjoy the pleasures of a pot luck dinner. There will be lots of food for all who attend. We will be having our 50/50 Draw and the ever popular draw table so we can all either donate or buy some tickets for a chance to win what is on the tables. So come and join us for a great day.

Time to enjoy the summer,

Ron Bishop, President, CAOAC

We had attendees from as far away as Montreal. There were over 100 people in attendance. BRASS would like to thank the many friends from CAOAC clubs who made the trip to Barrie to assist us. We could not have done it without you! We have booked the same location for next year on Sunday April 2nd so mark it on your calendars!

**Calgary** – I did have an inquiry from Sarnia (thanks Lisa) and with the help of Peter Melady, we decided it was a 10 point plant. I am working on updating the directory but hope to get Saskatoon's records as well. I am in the process of changing jobs(again!!!) so I've been busy..

**Chatham-Kent** –

**Hamilton** – Our speaker this month is Sasha Hunter from Aquascape. She will be giving us a pond presentation. I'd like to thank Mike at Big Al's Hamilton for helping to arrange this program. Our Fall Auction will be on Sat Oct 1 at the Waterdown Legion. We hope to have a few vendors included.

**Kitchener-Waterloo** -

**London** – WE have our meeting this Tuesday, April 12. Ron and Annette were going to do a talk on collecting live food, and they were going to bring in some minnows that they were going to collect from the Thames River. Unfortunately, the weather has not co-operated. They will instead be doing a talk on live food collecting, and the axolotls that they are keeping and breeding. This will be their first time using a computer to do a talk. Let's hope it goes well.

Sarnia - At our membership meetings we do our best to have a guest speaker. In March, our guest speaker was Tim Hall from It's so Koi, a fish farm in the Dresden area. We learned about setting up and maintaining an outdoor's pond, and we plan to take a field trip to the farm in the summer.

We have some exciting events happening over the next month or so. If you are in the Sarnia area on any of these days, we hope you will come!

1) Our SPRING AUCTION is on Saturday, April 16th starting at 11 AM; doors open at 9:30 AM. You're welcome to sell or buy your fish and related items;

2) Membership meeting on April 19th with guest speaker Zenin Skomorowski from the Kitchener-Waterloo Aquarium Club, who will be speaking on Loaches. We also will be asked to vote on amendments to the SAS Constitution;

3) Membership meeting on May 17th with guest speaker Mr. Jake vanRooyen from the Bluewater Hatchery. The Bluewater Hatchery is widely known and respected for raising hundreds of thousands salmon and trout, which are released to the area waterways (such as Lake Huron and the St. Clair River) for the enjoyment of fisher men from all over Canada

All events will take place at Sarnia Christian School, 1273 Exmouth Street (at Pontiac Drive).

We hope to see you at all of these events!

St. Catharines - Our April meeting was a great presentation by Ken Boorman on Rainbow Fish we had about 40 people in attendance. Our May program will be given by a club member on a axoltios everyone is welcome.

Thank you Peter Melady, Carla MacDonald, Bill Reckman and Jeff Mountjoy! for sending their reports prior to the meeting. Thank you to those who sent their reports after also. It is appreciated.
