President's Message

WELCOME 2017

Happy New Year to all the people out there in our hobby from the East to the West.

I hope we all have a prosperous year ahead and lots of enjoyment with our hobby.

If anybody has any questions or concerns about CAOAC, to what we can do to make it better for the clubs or what the clubs can do to make it better for CAOAC, please get in touch with me. Last year we had a lot of great ideas and some of them we worked on and implemented.

Now to the job at hand as we have a few vacancies in the committees we have to run the association, if there is anybody that would be interested in filling these jobs please get in touch with me or any other executive.

The CAOAC Convention hosted by Hamilton is well on its way with the plans and Speaker and location. Make plans now for a great long week-end in May. The awards Committee is looking forward to all applications for awards from all the clubs. Please make sure all applications are in the hands of the committee on time.

So for now I wish you all a wonderful New Year and all the best in 2017

Ron Bishop

President CAOAC

P.S. Please remember to send your newsletters to Ray Lucas kingfish51@verizon.net

AHD- I have received Sarnia's first ins missed from last month's report. For "first in" , my congratulations to Jean-Mathieu Daoust of the Calgary Aquarium Society for echinodorus vesuvius and to Ann Marie Towell of Betta Breeders Canada for bucephalandra flowering.

Archivist – Paul has stepped down as Archivist and we now need a volunteer. Barry said there are about 12 boxes of archivist material. Albert will store in his house in Hamilton until he sells it. Ken, Ann and some others will meet at Albert's in Hamilton and go through what is there to determine how much storage is needed.

Awards – Today, Dec 11, is the deadline for Authors Award submissions. The next deadline is Jan 15, for the Newsletter Award submissions. They are to be sent to Ray "Kingfish" Lucas. His email address is found in the President's message. It is going to be a long cold Winter, so let's give Ray lots of reading material to keep him busy. All other Achievement and Recognition submissions are due at the February 12 CAOAC meeting. It is never too early to send me submissions as I can go over them and suggest changes or additions to help you.

Binder – Violence & Harassment policy was added as an addendum to the ByLaws

FAAS – no report. Ken will check into the news of FAAS folding.

Fish Breeders Directory – We have a new club reporting fish for the fishbreeders report. Thank you Calgary!

Fish Rescue – no report

Futures – I regret that I have not made any headway with the Futures committee formation. Ann to send Jeff the ideas that Carl McCleary had a few years ago.

Club Reports

Barrie – Frank Aquire coming in January. Auction is April 2.

Betta – No meeting yet. Working on International show.

Chatham-Kent – We had our annual Christmas potluck yesterday. This was enjoyed by all. Lots of wonderful food and good times with friends. We do not have another meeting until February 11. We do not do a January meeting due to the fact that winter weather can be quite rough and January seems to be the worst month.

Durham – This Tuesday is our potluck. Barry, Tim and Tom are doing a talk on their travels. Aquariana is April 9.

Hamilton – Our December meeting was about giving back. Noel provided our group with his rendition of Fish and HDAS Trivia with his version of Jeopardy. Everyone had a great time. We had a Neighbour to Neighbour Food Drive with lots of goodies collected. Sarah held her annual Fish Draw table to raise funds donated to our N to N cause as well. We provided pizza and wings. We had many deserts and snacks donated to help fill all our bellies.

Kitchener-Waterloo - Our December meeting was a social year end affair. There were 31 people in attendance. Everyone brought food to share. The annual club awards were given for Author of the Year, Breeders of the Year, Junior Hobbyist and Hobbyist of the Year.

There was a free raffle for bags of fish that were purchased at discounted rates by the club at The Tropical Fish Room in Brantford, Finatics in Mississauga and Big Al's in Kitchener. Several members also donated fish and other items.

A quiz was given with 4 members getting a perfect score. The winners were Richard Yandle, Brad McClanahan, Stuart Morley and Terry Clements. The random winner was Shawn O'Halloran Jr. Photos can be seen here:

London – The London Aquaria Society will be having their Christmas meeting, on Tuesday, December 13.

The meeting is a potluck. The club is supplying drinks and pizza. We will have prizes and our usual club auction (no jar show).

One of our newer members (Steven) will be doing a talk in January on his work on planted tanks.

St. Catharines - Our December meeting was our club Christmas party with food and prizes. Our January meeting will feature a presentation from one of members Ryan Koch on plants, everyone is welcome.

Trans Canada Guppy - We wish everyone a Very Merry Christmas. We are in the process of setting up a buy and sell page for private Canadian breeders. It will be linked to our Facebook page. It will be live sometime soon in the new year. We are looking forward to the CAOAC convention and will be participating.

Thank you Peter Melady, Phil, Carla, Lisa, Jeff and Nancy for sending their reports prior to the meeting. Thank you to those who sent their reports after also. It is appreciated.

Convention 2016 –

Ron lost a lot of the information for convention when his computer crashed. He will try to find out about the sponsorship information.

Convention 2017

We look forward to 2017 and the exciting year we will share with fish friends near and far including the Aquatic Expo - May 19 to 21. Please forward any suggestions and ideas to our attention.

Frank Aguire said he came today to express his support and pledges \$300.

Frank suggested having a Biotope contest. To send more info.

What is CAOAC?

We are often asked this question. CAOAC stands for The Canadian Association of Aquarium Clubs. We are a non-profit corporation and are composed of member aquarium, reptile & amphibian, pond & water garden, and similar clubs or societies from across Canada and the Northeast United States. CAOAC was founded in 1959 (incorporated in 1963) to allow the clubs to work together for their common good and the good of the hobby. Legislative issues, promotion of events, a judging system, national awards, assistance for new clubs, & liability Insurance are just a few of the things on which clubs can work and benefit together. Recently, a Fish Rescue Program has begun. This has been developed with outside partners who also have an interest in our hobby and environmental issues.

What are the benefits of being a member?

- National awards program to honour those in member clubs who have achieved success in breeding, plant propagation, or other endeavours related to the hobby.
- National judging program to train and certify judges as well as set standards that all can use to judge their shows.
- Third-party liability insurance program to protect club members in case of an unfortunate accident at one of their functions.
- National forum to express views and opinions.
- National voice to deal with legislation which may impact negatively on our hobby and to put forward constructive ideas to politicians and bureaucrats.
- A chance to become involved with people who share similar interests with yourselves.
- If you are interested in joining CAOAC as a club or as a private (non-voting) member, please contact our Membership Chair, see under committees for email address.
- In person meetings are held monthly (except July & August) in Waterdown, Ontario (unless otherwise posted) at the Optimist Hall where clubs which are within driving distance send their representative (s) to discuss issues of the day as well as the future.
